Paolo Ruffini at the Arcimboldi Theater in Milan with the show DIN DON DOWN!

10/11/2025

A concentration of unscrupulous irony and brilliant improvisation, in this new edition that aims to surpass the triumph of the previous one. Din Don Down is intended to challenge the boundaries of political correctness and approach a great new concept: that of God, regardless of the forms or guises in which anyone may recognize him.

The recipe is always the same: a comic happening, without rules, subverting the deepest sense of what we insist on defining as "normal," surprising and enchanting, between comedy, disobedience and tenderness. On stage, the charismatic Paolo Ruffini resists the unrestrained incursions of the disabled actors of the Mayor Von Frinzius Company, accompanied by the notes of Claudia Campolongo on piano.
